DETAILED ACTION

Claims 1-19 are allowed.

1. The following is an examiner's statement of reasons for allowance:

The prior arts of record fail to teach or suggest said array further comprising a first electrical bus connected to a respective first conductor block proximate said outlet, and a second electrical bus connected to a respective last conductor block proximate said second position, each of said conductor blocks being electrically isolated from other conductor blocks, and each of said screen element packets having a first termination connected to a conductor block on one side of said channel and having a second termination connected to a conductor block on the other side of said channel, whereby a series electrical path is created from said first electrical bus through respective conductor blocks and screen element packets to said second electrical bus.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
